Here is the final version of the AOC. I made changes to paragraph 32 and 38. We can include a copy of the Action Memo and a site map. The Scope of Work is already included in the Work to be Performed Section so we do not need a separate Scope of Work. Thanks. Lets get this out to them ASAP so that we can begin the negotiations. Thanks.

Hello,

The draft is ready. I reviewed it against the Model AOC a couple of times, and except for some minor differences, it satisfies the model. Also, will the appendices be:

Appendix A - Action Memorandum  
Appendix B - Site Map  
Appendix C - Scope of Work (???)

When I return, regardless where this AOC is in the concurrence chain, I will send it via email as a draft to the defendants.

Thanks,

Gloria
